

The Choirs of Centennial

Thank you for stopping by the CHS Choir Room. It was a pleasure to meet you. Here are a few things that we want to bring to your attention as you make the journey from Middle School to High School.

In just six short years, the CHS Choral Department has established a strong tradition of excellence, being recognized at the state and local level for outstanding achievement in choral music and vocal performance.

Members of the CHS Choral Department are active members of the CHS Athletic Department, the Spartan Regiment, UIL Academic Teams, the CHS Sparklers, and a wide variety of other programs and clubs on our campus.

Opportunities exist for all student participate and achieve regardless of their previous experience levels.

Through music, we our students develop a deeper understanding of what it means to act with integrity, compassion, professionalism, dignity & responsibility.

Opportunities exist for all members to perform as individuals and members of a variety of ensembles.

Students that participate in choral music at Centennial experience increased self-confidence and esteem as they discover who they are and who they can be through team work and self-reflection.
