General Information

The CHS Choral Department is excited to offer our students the opportunity to travel to Nashville and Memphis, Tennessee this year as a part of our endeavor to engage our students in artistically and culturally significant learning experiences during this time at Centennial High School.

Student Registration

ALL students enrolled in the CHS Choral Department are eligible to travel with the Department.

To register for this year's trip, students should return a completed contract and a minimum of \$100 to secure their seat. Once initial deposits are received, participants will receive information about how to set up their online trip account with our travel agent, US Integrity Tours. Initial payments may be made to our Booster Club during Choir Prep Day. Enrollments will be accepted through October 10th.

Due to the limited availability of seating on the bus, we are only able to accommodate 50 participants for this trip. Should enrollment exceed the number of seats available, a waiting list will be created. In the event that seats does not become available, students/parent travelers on the waiting list will have 100% of their deposits refunded.

Notice: Any deposits made prior to the clearing of fair-use fees for the 2019-2020 school year will be used to clear outstanding balances first. Any balances remaining after fees have been cleared will be forwarded to USIT for use in securing your spot for this year's trip.

Chaperones

The number of positions available to chaperones will depend on the number of students desiring to travel. Currently, eight positions are reserved for adult travelers, including staff and required district personnel. The final number of positions available to adult travelers will be set by October. If you are interested in being a chaperone for this trip please submit your interest using this link: <https://forms.gle/fuUwchigMccRhaScA>

Loss of Student Travel Privileges

Payment of travel fees does not guarantee the student right to travel. Please note that consistent discipline problems in school (both in and outside of class) may result in the loss of travel privileges. Any flagrant offense of school or district policy will result in the loss of travel privileges. Students must maintain academic eligibility in order to engage in travel per our states no pass, no play policy. **Students who fail the 4th Six Weeks Report Card will not be permitted to Travel.** Students who lose travel privileges for any reason will be refunded at the rate corresponding to their loss of travel privileges in the travel contract.

Payments

Initial deposits for this year's trip will be made to the Centennial Choir Booster Club and can be made with cash, check or your student's CutTime account.

Once deposits are received, students/parents will receive an invitation from our trip management software issued to us by US Integrity Tours. Through this portal trip participants will submit their medical forms, food requests, contact information, and complete any and all future payments. Email reminders will be sent out 7 days prior to each payment deadline. Balances will be tracked and reminders distributed for each monthly installment until trip balances have been paid in full.

The cost for this year's tour is estimated between \$790-\$835 for Student Travelers (Quad Occupancy) and \$915-\$955 for Parent Travelers (Double Occupancy). Trip costs are based upon a minimum of 40 paying participants traveling with our group. Trip price will change should these minimums not be met.
